Operational business, located in a 9,000 square foot building in excellent condition in an excellent location. New roof & HVAC.

Owner selling due to transitioning into retirement. Currently a pharmacy and coffee shop reside inside the building. Current family pharmacy employees have opted out of continuing the True Value Business but want to continue operating the pharmacy and possibly the coffee shop. Owner is willing to relocate the pharmacy and/or coffee shop or would be willing to negotiate using existing space for pharmacy and coffee shop. Many options can be considered.

This is an ideal set-up for a True Value Hardware store and has great opportunities for expanding into paint, garden center (covered canopy on north side of building) and home appliances. A knowledgeable staff is essential in catering to the needs of the contractors and customers in our community. The closest city is 60 miles.

Serious inquires only! Financial reports are available upon request.
